

Butterfly Loop Drop Wire

Pre-tied Wire Assemblies

- Butterfly Loop Drop Wire
- Part # PTBF__

ATTACHMENTS

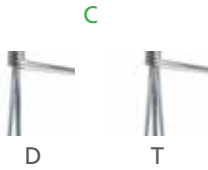

Many other manufactured and custom assemblies are available. Contact CEAS for more ordering options!

NOTE: Double Tie Shown

*Actual pre-tied wire lengths are roughly 6" shorter than the length specified due to the wrap

Note: If ordering single wire tie, you do not need to fill in column C

C = Add "D" for Double Tie or "T" for Triple Tie

How To Order

Step A - Determine the Wire Length

*Actual pre-tied wire lengths are roughly 6" shorter than the length specified due to the wrap

Step B - Determine the Wire Gauge (12g typ)

- 8 Gauge (.162)
 - 9 Gauge (.147)
 - 10 Gauge (.135)
 - 12 Gauge (.105)
-
- 8, 9, 10 and 12 gauge wire typical tensile strength = 70ksi (Meets ASTM A 641 Specs)

Step C - Choose Single. Double or Triple Tie

Add "D" for Double Tie or "T" for Triple Tie to the end of the part number when ordering

Part Number Example #1: **PTBF612** = Pre-Tied Butterfly Loop Drop Wire, 6' Long, 12g Wire

Part Number Example #2: **PTBF612D** = Pre-Tied Butterfly Loop Drop Wire, 6' Long, 12g Wire, Double Tie
