Wedgy Y-Assembly

- Y-Assemblies are ideal for supporting light fixtures, basket tray, and other construction applications.
- Capacities shown in the table below are for the cable assembly only. Complete assembly capacities can be determined when the fasteners are selected.
- Custom cable lengths and multiple other lower attachment options are available. Contact CEAS for options.
- Wedgy included with every assembly.
- U.S. Patent D737,134.

The highlighted items are stock items that typically ship the following day (depending on order size)
